THURSDAY MAY 31ST – TRACK EVENT

SUMMIT POINT MOTORSPORTS PARK – SUMMIT POINT CIRCUIT

Please read this Track Information and Mandatory Safety Items **BEFORE** arriving at Summit Point Motorsports Park. This event is not a race but the opportunity to learn/practice your driving skills at high rates of speed... safely!

The Summit Point Circuit is a Technical Course where YOU have the opportunity to greatly increase you driving skills...and have a lot of damn fun doing it!

THE CONSUMPTION OF ANY ALCOHOLIC BEVERAGE IS STRICTLY PROHIBITED AT SUMMIT POINT MOTORSPORTS PARK

NOTES:

ALL DRIVERS, INSTRUCTORS & COACHES – Must attend the drivers meeting and classroom instruction in the morning at 8:00 am (Track opens @ 7:00 am). Late arriving drivers who do not attend the mandatory classroom training may be forced to forfeit their ability to attend this track day.

DRIVERS AND PASSENGERS – Everyone going onto the track during hot-lap sessions **MUST** have signed the waiver at the check in desk, AND must be wearing an SA2010 or newer rated Auto Racing helmet. Older certifications, DOT or M rated helmets are **NOT** adequate. All helmets will be inspected at check in. *The High Performance Driver Education (HPDE) will have a limited supply of helmets available for rental at the track.*

ALL DRIVERS – When registering to drive on the track **MUST** choose an appropriate Run Group below:

1. **Beginner** – This is the right choice for someone with no or very little track experience. This group will attend a 45 minute classroom session at the beginning of the track day. This is a controlled pace group that runs under strict rules on-course. Drivers in this group **MUST** attend the classroom session before going on the track. Instructors will be on hand to support this group, provide lead – follows on track or ride as passengers in student vehicles as needed. Instructors will be on each run to ensure you are driving your car to the best of your ability. You will not be allowed to enter onto the track without an instructor/coach.

2. **Intermediate** – This group is for drivers that have been previously approved as a **Solo Driver** and have completed several track days. Passing is restricted to the straights only and point-by's are mandatory (if you do not know what a “point-by” is, this is not the group for you).
3. **Advanced** – This group is only for drivers that have completed a considerable number of track days as an Intermediate or Advanced driver. This group will consist of very fast/ modified street cars or fully race-prepped cars and drivers with a lot of track time or actual racing experience. If you are an Advanced Driver but have never driven this course before, we recommend the Intermediate group to start off your experience before moving into the Advance Group.
4. **Shelby Only** – If we have sufficient interest we will add this group which will be run under the same rules as Intermediate. This group will be **ONLY** open to those drivers of Shelby related cars. If there are not enough registrations to support this group, those who choose this option may be moved to one of the other groups as appropriate. Beginners may NOT register for this group.
5. **Touring class** – New for this year are Touring Lap sessions for Ford Performance Vehicles, which will bridge the adrenalin gap between the lunchtime Parade Laps and the all-out performance driving experience. These will be at “brisk” speeds behind a pace car, there is no passing in the Touring laps group. This is a great way to get a Taste of the Track without committing to a full track day.

ALL PASSENGERS – Passengers may be accommodated to ride along with Safe to Solo Drivers or as part of the Shelby Thrill Rides. Passengers must have a passenger wristband which may be purchased at the check-in desk. Those participating **ONLY** as passengers in the Shelby thrill rides will receive a separate wrist band at no charge.

UNDER AGE PARTICIPANTS – Drivers and or passengers **MUST** be at **LEAST** 16 years old. And any driver or passenger under 18 **MUST** have a parent/legal Guardian present to sign a special Minor Participation Waiver as well as the standard waivers. (This does **NOT** apply for the Parade Laps)

Track Day Schedule:

- 7:00 – Gates open at Summit Point
- 7:15 – HPDE Instructors and Coaches Check in/ Registration open
- 7:45 – Coaches Meeting (All Coaches – **Mandatory**)
- 8:00 – Drivers Meeting (ALL Drivers/ Coaches – **Mandatory**)
- 8:15 – Novice/Beginner Classroom (ALL Novice/Novice Solo Drivers – **Mandatory**)
- 8:30 – Track is **HOT** for first run group sessions
- 5:30 – End of final run group
- 7:00 – Summit Point **CLOSED**. All attendees must have exited the facility at this time.

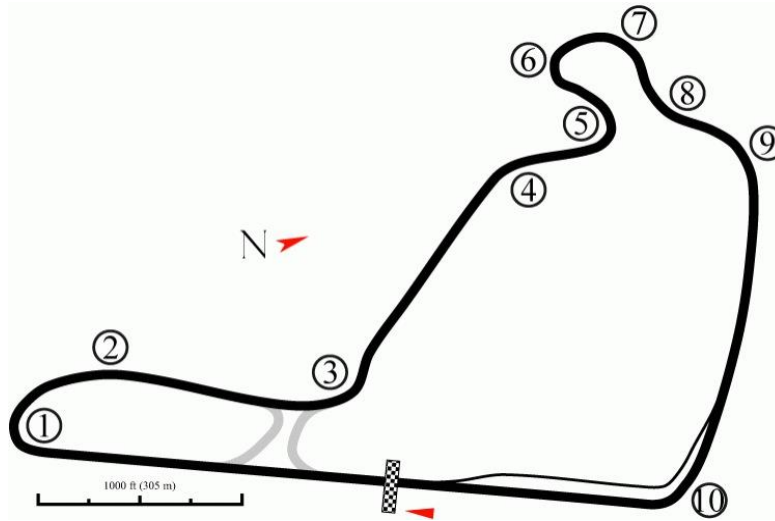

Run Group stickers will be handed out at the Drivers Meeting/ Classroom. Drivers who arrive late or skip the meeting will be required to meet with the Lead Coach prior to issuing the sticker and may miss their opportunity to drive on the track. Stickers will be **REQUIRED** for admission of any vehicles onto the track.

The run group sessions from 8:30am – 5:30 pm will be determined prior to the event and are dependent on registrations levels. Three or four run groups will have 25 to 30 minute sessions on track, divided up equally throughout the day, with a 1 hour lunch break at approximately 12:00. The exact schedule may change as required prior to or during the event.

SATURDAY JUNE 2ND – ALL FORD NATIONALS

DAY EVENTS

If you missed the deadline to preregister, you will have to get your window sticker at Gate 3 when you arrive. You will not be allowed to enter the Showfield without a window sticker.

IMPORTANT NOTICE: *This year, all auto classes will be assigned a different Class Number when the Showfield is laid out. The window stickers' numbers may change from the original registration numbers. The new number will be on your windshield sticker and all signs at the event. You must always park in your class designated parking area at all times, regardless of car club affiliations or events, unless special permission is granted.*

Experience all that is Carlisle Ford Nationals, and there is a lot to experience! There will be over 3000+ cars to see. This is the largest and most thrilling all-Ford event in the world. Ford, Mercury and Lincoln fans will have a showcase of nearly 3000 vehicles to check out on the National Parts Depot Showfield.

During this event, you will enjoy great indoor displays of concepts, customs and historically-significant cars and trucks; test drives by Ford Motor Company, a burnout competition, activities for the kids, industry guests, giveaways, autocross for all skill levels and club gatherings. The excitement continues with a shopping experience you won't soon forget as part of the enormous swap meet, car corral and the Manufacturers Midway for the best in parts buying

Team Shelby participants will enjoy live music and refreshments under the Team Shelby Hospitality Tent, located inside the Carlisle Fairgrounds surrounded by the Shelby car show classes with "Shelby Girls", live music, and refreshments (bring your "orange" drink tickets).

Be sure to join us at noon in the Team Shelby tent for lunch and the exceedingly popular "Shelby Beverages". During the lunch hour there will be a raffle, the Cars under the Stars award winners will be announced, and a decision will be made on which Saturday night program we will be selecting (since one of them is weather dependent).

TEAM SHELBY SATURDAY NIGHT EVENTS

PARADE TO DOWNTOWN CARLISLE

This is a favorite of the Carlisle Ford Nationals. Be a part of a 400+ vehicle parade leading to downtown Carlisle (purchased separately). The streets are closed off and the parade literally parks in the middle of every street in downtown Carlisle. You must be registered for the All Ford Nationals to register for the parade. To join in the parade please sign up at Carlisle events or at Guest Services on the Showfield near the Grandstands. Don't forget to pick up your gift bag while you're there too! The parade lines up at 6:00 pm and leaves at approximately 6:45 pm. Note: Staging location has changed. Check with Carlisle.

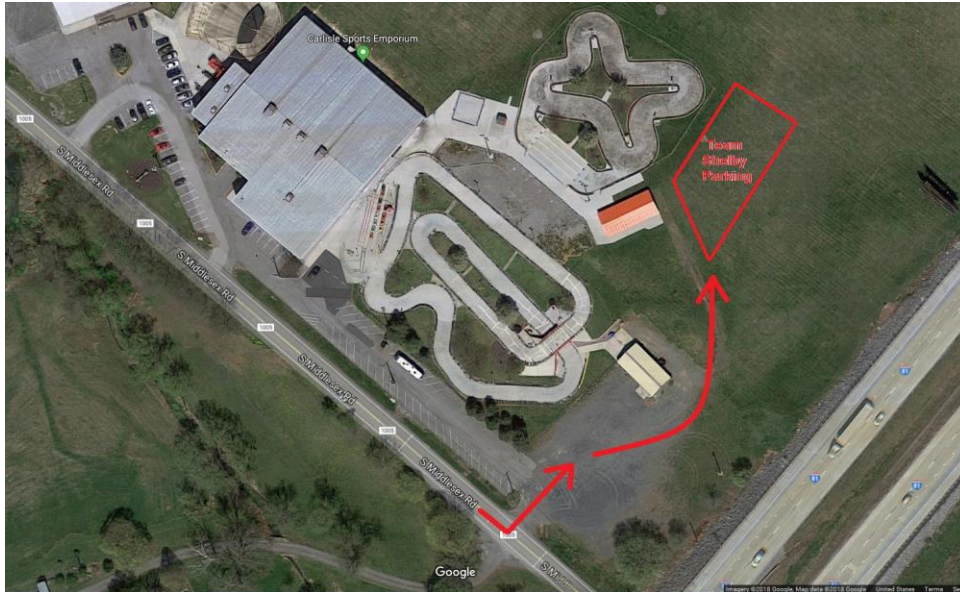

Once you arrive downtown, the town is yours for the evening! You are on your own to visit the bars and restaurants in the area for dinner, and the shops will stay open for a little shopping and you can even get an after dinner ice cream if you'd like. Live music will fill the evening hours, usually on multiple stages.

But we don't recommend parking for too long...

PLAN "A": COOKOUT AND CARTING (WEATHER PERMITTING)

Team Shelby has arranged exclusive use of the "Shamrock" Go-cart track and pavilion at the Carlisle Sports Emporium! With nary a straight section to be found, the track has you almost consistently turning one way then the other. Your track 'line' will be critical, as will how well you can maximize the momentum of your cart. Who wants to challenge Gary Patterson for the title of King of the Shamrock? Starting at 6:00pm, there will be cookout style food served (burgers, hotdogs, pizza) and beverages (don't forget your "yellow" drink tickets). Carting practice and 'qualifying' begins at 7:00pm. Follow the map and park in the designated grassy area. Please note this is an outdoor event, but we do have a "Plan B" in case of inclement weather. **An announcement will be made during the Team Shelby Luncheon if the weather does not cooperate with us.**

Carlisle Sports Emporium
 29 South Middlesex Road,
 Carlisle, PA 7015

PLAN “B”: EASTERN MUSEUM OF MOTOR RACING (IF INCLEMENT WEATHER)

Eastern Museum of Motor Racing will be the Alternate Location in case of rain. The museum is built on a wooded hillside overlooking the historic Latimore Valley Fairgrounds and Racetrack near York Springs, Pa. Along with establishing one the premier racing museums in the country, the 40 acre fairgrounds and racetrack were also passionately restored to their original beauty. This creates an almost magical atmosphere that makes EMMR a "living museum". There will still be food (same as above, just served indoors), and games, as well as either guided tours of the museum or the ability to wander and discover on your own.

Eastern Museum of Motor Racing
 100 Baltimore Rd
 York Springs, PA 17372

SUNDAY JUNE 3RD

CARLISLE AWARDS & WRAP-UP

We wrap things up on Sunday with the Carlisle Awards Ceremony. Come out and check out what you missed the day before, find great deals on parts and accessories, and enjoy the cars one last time before heading home. For those wanting to participate in Sunday services, a non-denominational Christian gathering is held at 9:00 am in Building R, on the Carlisle Fairgrounds.

At 1:00 pm, the Carlisle Events Award Parade will have all the show class winners line up and cruise past the main grandstands to receive their awards. Take a seat in the stands and watch as all the best cars of the weekend come to you!
